TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Mont Vernon in the County of Hillsborough in the said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Mont Vernon on Tuesday, the tenth day of March, next at 2 of the clock in the afternoon, to act on the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

Action on succeeding Articles is deferred until 7:30 P. M.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To act on reports of all Town Officers, Agents, Auditors, Committees, etc., and raise and appropriate any money relative thereto.

4. To see if the Town will authorize the Selectmen and Treasurer to borrow money in anticipation of taxes.

5. To see if the Town will vote to accept Town Road Aid for construction of Class V Roads, and raise and appropriate the sum of \$890.29 for said purpose. (State will add \$5,935.24)

6. To see if the Town will vote to raise the sum of \$1,000.00 for the Mont Vernon Conservation Commission Fund, to be administered by the Mont Vernon Conservation Commission for the purpose of developing and better utilizing the natural resources of the Town such as the Purgatory Falls area.

7. To see if the Town will vote to establish a Recreation Commission consisting of five members to be appointed by the Selectmen.

8. To see what sum of money the Town will Vote to appropriate for the support of recreational activities.

9. To transact any other business that may legally come before said meeting.

Polls open at 2:00 P. M.

Polls will not be closed before 8:30 P. M.

Given under our hands and seal this twentieth day of February in the year of our Lord nineteen hundred and seventy.

**WILLIAM O. LAMSON
J. JUSTIN PESTANA, JR.
KEITH E. POMEROY**

Selectmen of Mont Vernon

	<hr/>
Total	\$1,071 30

Towards the end of the season, a beginning was made to clear some of the growth in the new section. It is our intent, after this is completed, to extend the road in a straight line and therefore providing more access room to some of the lots.

The Cemetery Trustees,
FRANK C. BLANCHARD
ROLAND E. CHRISTIE
JAN C. HAVINGA

DALAND MEMORIAL LIBRARY

The dictionary says that a library is "a collection of books, pamphlets, etc., especially such a collection arranged to facilitate reference." That may define some libraries, but not the Daland Memorial, whose physical resemblance, in the first place, is not nearly so grim as the preceding quote would indicate.

The Daland Memorial Library is, then, besides a mere book depository, a people place. It is Mrs. Tom Wallace and the Friends of the Library. It is the Daland Fund Trustees—Robert C. Morrison, Joseph G. Carleton and Mrs. Francis C. Reagan—overseeing the installation of a new carpet, and uncovering in the course of repair work, a beautiful chestnut front door. It is Mrs. W. Guild Smith, the Librarian, and her associate, Mrs. David Worrada, cataloguing and shelving the almost 300 new volumes acquired in 1969. It is the people of the village who use the Library. It is not a moldy, forbidding edifice, but a busy meeting place for new and old friends, alive with youth's impatient idealism or tranquil with the wisdom of age.

In October, 1969, Mrs. Roland E. Christie, Jr., regretfully resigned as Trustee. The remaining Trustees reluctantly accepted Mrs. Christie's decision and were pleased when the Selectmen appointed Mrs. W. Aubrey Langille to fill the vacancy.

The Daland Memorial Library is yours. Your suggestions are always welcomed by the Trustees and your gifts received with gratitude. The Trustees and staff urge you to use it often, for without you the Daland Memorial Library is only a pile of paste and paper.

Mrs. W. Guild Smith, Librarian
Mrs. David Worrada, Assistant

Mrs. W. Aubrey Langille, Trustee
Jane B. Conant, Trustee
Mrs. Arthur Goodwin, Trustee

MONT VERNON FIRE DEPARTMENT

“Prevention is your best fire protection.”

The proper way to summon the Mont Vernon Fire Department is to call 673-3131, which is the Milford Communications Center. They are equipped to sound the Mont Vernon Fire alarm.

During 1969 your department responded to 20 calls, the loss from fire this year was relatively light.

It became necessary to replace the electric motor which runs the siren, this resulted in considerable expense.

The Fire Department appreciates any paper or scrap left in the box at the fire station.

Joseph G. Carleton, Chief
Frank C. Blanchard, Deputy Chief
Donald C. Cheever, Deputy Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A *fire permit* is needed for all outdoor fires in or near

woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be *prior to 9:00 a.m. and after 5:00 p.m.*

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

BEAUTIFICATION COMMITTEE ANNUAL REPORT 1969

A major project of 1969 was the placement of granite curb along the parking area North of the Town Hall. The large amount of ledge to be blasted increased the cost to more than that expected. The Fire Department assisted by a group of other citizens unloaded, handled and placed the heavy granite.

A wreath was placed at the Monument for the Holidays.

As has been their custom for the past several years, the Fire Department decorated the Christmas tree in the park with added lights provided by the Committee.

Ornamental iron stands and redwood lumber have been purchased to build park benches which will be erected in the Spring.

Our thanks go to the young folks of the town who have been so helpful in various civic projects including the holiday decorations at the Town Hall.

C. A. Bardwell,
Chairman.

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, and other financial records of the Town of Mont Vernon and find them correctly cast and properly vouched for, for the fiscal year ending December 31, 1969.

PRESCOTT R. DOW,
DAVID W. HAYDEN,

Auditors

MONT VERNON CONSERVATION COMMISSION

The Mont Vernon Conservation Commission completed its second year of operation with twelve monthly meetings, three on site meetings and one public meeting. Mr. William R. L. Mead, Environmental Architect, was the featured speaker at the August 26 public meeting. Commission members have been active in attending State and County meetings concerning conservation.

A survey was mailed to all resident and non-resident taxpayers in May with worthy results. A large majority of those replying to the survey requested action on securing the Purgatory Falls area, as well as other scenic and historic areas of the town. The Commission's major trust has been in studying the Purgatory Falls area. Meetings with the Planning Board of Lyndeboro, New Hampshire—Tomorrow's staff and other interested people have ensued. To date no concrete results are available, but continued emphasis will be given to this project. A proposal was submitted to New Hampshire — Tomorrow, an environmental planning and demonstration program, and approved for technical assistance to the town relative to Purgatory Falls.

The aerial photograph of all land in Mont Vernon was completed and framed. The photograph will be made available to all town committees, officers and organizations who wish to use it. Preliminary plans have been completed for conducting a conservation education tour for the 4th — 6th grades of the Mont Vernon School and will be conducted in the Spring of 1970.

Jan Havinga was appointed to a three-year term on the Commission and was elected treasurer. Other officers are, Charles Buck, Chairman; Vernon Wilkins, Secretary.

The Commission wishes to extend gratitude to the Selectmen, Hillsborough County Extension Service Forester, Hillsborough County Soil Conservation Service, Society for the Protection of New Hampshire Forests, New Hampshire —

Tomorrow, Beaver Brook Association, and Luke O'Neil, town counsel for support and guidance during 1969.

The Commission requests that the voters act favorably upon the Article in the warrant requesting \$1,000.00 for a conservation fund.

RECREATION COMMITTEE REPORT

February 13, 1970

During the year the Recreation Committee met to determine what the recreational desires of the town of Mont Vernon are. We considered a recreational interest survey to be the most direct method of determining what is wanted. Approximately 220 questionnaires were sent to town residents, and at the time of this writing (2/13/70) some 23 replies have been received. While 10 per cent is a small measure of the town, many sincere comments have been made concerning a wide range of interests. A compilation of these will be made available to interested individuals and groups in the near future.

Several comments were generally voiced, one being that the town should provide maintained areas for baseball and skating. A second being interest shown in tennis and swimming.

The Recreation Committee has considered the situation in Mont Vernon and feels several recommendations are in order. The first concerns the establishment of a Recreation Commission whose purpose would be to administer to the recreational needs of the community. An example of one of their functions might be seeing that a skating area was kept clear of snow. This kind of function could be assumed by the selectmen or school board, but considering their respective work loads, it seems reasonable to suggest that a group be formed to assume these responsibilities. We have offered as a warrant article, the question of establishing a Recreation Commission.

The second recommendation concerns an appropriation. The warrant article we have submitted is for an unnamed amount. It exists this way because the article had to be submitted before we had received any response to our survey. The committee is recommending that the town appropriate \$250. Since it will be the responsibility of the Commission

to administer the money, the committee can only recommend a budget.

Maintain an area for skating — plowing	\$100 00
Assist in the maintainance of the ball field	100 00
Provide swimming instruction at a local pool, instruction and possible bussing	50 00
	<hr/> \$250 00

MINUTES OF ANNUAL TOWN MEETING

March 11, 1969 — Mont Vernon, N. H.

2:00 p.m. — The Annual Town Meeting declared open by Moderator George D. Kittredge who proceeded to read the Town Warrant and the School Warrant for the election of School Officers.

2:06 p.m. — Moderator declared polls open to take up Articles 1 and 2 of Town Warrant and Articles in School Warrant.

7:34 p.m. — Voting suspended while meeting proceeded to take up balance of Articles in Town Warrant.

Roger W. Crouch presented a tribute to George O. Carleton by the following resolutions:

RESOLUTIONS ON THE PASSING OF GEORGE OTIS CARLETON

Born April 29, 1894 Died October 16, 1968

The citizens of Mont Vernon were sincerely and deeply saddened by the news of the death of George Carleton on the 16th of last October. He is mourned as neighbor, friend, and fellow townsman who had spent his life in quiet, untiring service in the many phases of town concerns.

He served as a Selectman for fifteen years — completing

terms at three different periods. (1917-1922; 1924-1926; 1946-1954)

He served on the School Board from 1928 to 1931.

He was Chief of the Mont Vernon Fire Department for sixteen years, and as a Fireward for twenty-five years.

He served on many civic committees, always assisting in the development of progress for the best interest of his fellow townsmen.

He was a Trustee of McCollom Institute from 1937 to 1956 and served as Chairman of that Institute for several years.

He was an active member of Prospect Grange for over fifty years and was a Past Master. He was a member of Hillsboro Pomona Grange, and the New Hampshire State Grange.

He was interested in agricultural progress and joined other State leaders in forming the Merrimack Farmers' Exchange, an organization that he supported and served for many years. He held leadership offices in the Exchange and was Vice-president at the time of his death.

He was a member of Custos Morum Lodge of Odd Fellows since May 6, 1935.

He was a successful farmer, raising dairy cattle, poultry, apples and many other farm products.

Being born of a family who settled in this Town over two hundred years ago (1760) he carried on the tradition of those early settlers who by their public spirit assumed many civic duties over the years in the interest of his fellow citizens and agricultural associates.

He left his widow Bessie Carleton, one son, and three daughters to whom we, the citizens of Mont Vernon, express our deepest sympathy,

BE IT THEREFORE RESOLVED

That a copy of these resolutions be spread upon our permanent records and that a copy be sent to his widow and each of his children as a token of our respect for and our honor to his memory.

BE IT FURTHER RESOLVED

That it be moved that we at this the first Town Meeting after his passing express our deep respect by rising for a moment of prayer and thanks for a man who served his town so well.

PRAYER

Our Heavenly Father, in whom our fathers trusted and whose inspiration giveth men understanding, we pause for a moment to offer our humble thanks for thy servant George Carleton who served our community so well and in so many ways for so many years. May the wisdom and strength he gave in other times to other problems be our heritage. Grant us heads to contrive, hearts to feel, and hands to execute all those things which are well pleasing in Thy sight. Make us equal to our high trust, reverent in the use of freedom, and just in the exercise of power in meeting the problems of today. In Thy Holy Name we ask it. Amen.

Salute to the flag was led by the Mont Vernon Girl Scouts acting as a Color Guard.

ARTICLE 3. William O. Lamson, Selectman, explained the budget and stated the need of a police radio with a purchase price of \$637 and the need to increase the winter maintenance for roads by \$3,500. Motion by William O. Lamson, seconded by Roland E. Christie, Jr., to amend budget figure of \$32,585 to include \$637 cost of police radio and \$3,500 increase in winter maintenance and adopt a budget of \$36,722. Motion carried.

ARTICLE 4. Motion by Keith E. Pomeroy, seconded by J. Justin Pestana, Jr., to accept all reports of town officers, agents, auditors and committees as printed in Town Report. Motion carried.

ARTICLE 5. Motion by J. Justin Pestana, Jr., seconded by F. Edmund Tower, to adopt Article as in Warrant. Motion carried.

ARTICLE 6. Motion by William O. Lamson, seconded by several, to accept Town Road Aid and raise and ap-

appropriate the sum of \$782.52 for said purpose. Motion carried.

ARTICLE 7. Motion by J. Justin Pestana, Jr., seconded by Keith E. Pomeroy, to adopt Article as in Warrant. Motion carried.

ARTICLE 8. Motion by Keith E. Pomeroy, seconded by J. Justin Pestana, Jr., to raise and appropriate the sum of \$1,500 as this year's portion of the total cost of \$3,900 for complete re-appraisal of the Town by the State Tax Commission. Motion carried.

ARTICLE 9. Motion by William O. Lamson, seconded by Keith E. Pomeroy, to raise and appropriate the sum of \$70.00 to replace five of the present street lights in Mont Vernon with 3,500 lumen mercury lights. Motion carried.

ARTICLE 10. Motion by Joseph G. Carleton, seconded by Charles A. Trow, to adopt Article as in Warrant. Motion carried.

ARTICLE 11. Motion by Keith E. Pomeroy, seconded by Robert A. Damoiseau, to adopt Article as in Warrant. Amendment: Motion by Wendell G. Archibald, seconded by Roland E. Christie, Jr., that the well serve Fire House and Town Hall. Amendment carried. Original motion as amended carried.

ARTICLE 12. Motion by J. Justin Pestana, Jr., seconded by Robert A. Damoiseau, to adopt Article as in Warrant. Motion defeated.

ARTICLE 13. Motion by Keith E. Pomeroy, seconded by William O. Lamson, to amend Article by deleting the \$10,000 figure and appropriate the sum of \$29,000 for the purchase of a new Road Grader equipped with a plow and wing to be financed by 7 year bond issue note. Amendment to amended Article: Motion by Robert C. Morrison, seconded by Charles M. Puckette, Jr., that financing of new Road Grader be by series of serial notes. Amended motion as amended carried.

ARTICLE 14. Motion by J. Justin Pestana, Jr., seconded by several, to table Article 14. Motion carried.

ARTICLE 15. Thomas W. Buchert, Chairman of Recreation Study Committee, spoke of interest in tennis courts and a skating rink for the town. Motion by Thomas W. Buchert, seconded by Vernon B. Wilkins, to continue the Recreation Study Committee for another year. Motion carried.

8:54 p.m. — Moderator stated the meeting would revert to Articles 1 and 2 of Town Warrant and Articles of School Warrant to chose a Moderator, Clerk, School Board Member, Treasurer and two Auditors.

9:07 p.m. — Motion by Roland E. Christie, Jr., seconded by Wendell G. Archibald, that the polls be closed. Motion carried.

10:58 p.m. — Moderator read results of vote for School Officers and declared the following elected:

Moderator	George D. Kittredge
Clerk	Edna Miville
Treasurer	Edna Miville
School Board Member	George D. Kittredge
Auditor	Meredith W. Christie
Auditor	David W. Hayden

11:01 p.m. — Moderator read results of vote for Town Office and declared the following elected:

Town Clerk	Ruth L. Carey
Selectman	Keith E. Pomeroy
Treasurer	Dorothy C. Smith
Tax Collector	Ruth L. Carey
Road Agent	Willard Archibald
Overseer of Public Welfare	Donald Cheever
Trustee of Trust Funds	Walter N. Thompson
Library Trustee	Gladys A. Goodwin
Cemetery Trustee	Roland E. Christie, Jr.
Fireward	Frank C. Blanchard
Auditor	David W. Hayden
Auditor	William G. Plummer

11:04 p.m. — Moderator declared Town Meeting closed.

WARRANT FOR ANNUAL SCHOOL MEETING

The State of New Hampshire

*To the Inhabitants of the School district in the town of
Mont Vernon qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the third day of March 1970, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the annual compensation of any other officers or agents of the district.

2. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

3. To choose Agents and committees in relation to any subject embraced in this warrant.

4. To see if the district will vote to authorize the School Board to make application for and accept on behalf of the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

5. To see if the district will vote to raise and appropriate the sum of \$4,025.00 necessary to defray the expense of interest accrued on building loan of \$140,000.00.

6. To see if the district will vote to raise and appropriate the sum of \$500.00 to provide basic French instruction in grades 5 and 6.

7. To see if the district will vote to raise and appropriate the sum of \$1,200 to provide instruction in art for grades 1 through 6.

8. To see what sum of money the district will vote to raise and appropriate for the support of the schools, for the payment of salaries for school district officials and agents, and for payment of the statutory obligations of the district.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Mont Vernon this ninth day of February 1970.

REPORT OF MONT VERNON SCHOOL BOARD

A look backward to the School District Meeting of March, 1969, shows the beginning of many changes for our elementary pupils and the townspeople of Mont Vernon.

At that meeting, the formation of a third School Study Committee was favorably voted upon to work in conjunction with and under the jurisdiction of the School Board. An appropriation of \$140,000 was approved and the full Building Committee charged with the responsibility of planning and erecting a four-classroom school to be built on the newly purchased site on Harwood Road and to be used in addition to the present Village School.

The Board and committee began weekly meetings by April and progress was rapid because of their diligent efforts. The architectural firm of Andrew Izaack was selected and a plan for a four-classroom colonial structure with associated facilities was chosen and the construction bid was awarded to the firm of Blanchard & Stebbins of Manchester. Site preparation began about April 1, 1969 and actual construction began about September 1, 1969. Some problems were encountered which delayed completion of the building approximately four weeks.

The new building will be used to house the 4th, 5th and 6th grades with the first three grades remaining in the present Village School. It has been designed for future growth and when the time comes for enlarged facilities, the foundation for two more rooms has already been constructed.

Mont Vernon voters have much to be proud of in the new school, but, most important, the District has caught up with its needs after several years of inadequate conditions.

September of 1969, we were again faced with the problem of not enough room for six full grades in the Village School. However, because we had begun the new school, we were able to put all 124 pupils in the school on a temporary basis only. The School Board members, with the able assistance of Mr. Morton Darling, did the actual construction of partitions and doors in the large classroom on the 2nd floor,

giving us two smaller rooms. This resulted in a saving of \$5,000 appropriated to provide temporary accommodations.

In August of 1969, bids were opened for school bus transportation. The contract was awarded to Mr. George Munro, who had submitted a bid of \$10,500 per year for a five year term, using two new 1969 Dodge 66-passenger capacity buses.

The District has been faced with emergency maintenance expenses to the Village School this year in the way of roof repairs and the replacement of the furnace.

There were additions and replacements to our teaching staff again this year in our attempts to obtain the strongest teaching leaders available.

Mr. Gerald Britton remained as our principal for the second year and Mrs. Rosemary Frisch was hired as a part-time teacher to allow the principal to have more time for administrative duties. Mrs. Frisch is a fully qualified teacher, not an aide, and she has done a thorough job.

The following teachers were hired for 3rd, 4th, and 6th grades respectively: Mrs. Bertha Soule, Mr. William Clark and Miss Sherrill Turcotte, joining Mrs. Phyllis Courage and Mrs. Elizabeth Crouch, who had returned to 1st and 2nd grades.

The new budget proposed for 1970-71 reflects an increase per pupil in the tuition rates for students in grades 7 & 8 now attending the new junior high building on land adjoining the AREA High School in Milford, as well as an increase in tuition for pupils attending the AREA School, grades 9 through 12.

During the many months of construction on the new school, we have suffered no loss or damage to any of the supplies or materials at the site. It is with great pride that we take this opportunity to thank all the children, young and old, in the town. There are not many towns that can boast of this, and parents and children are to be congratulated for their cooperation.

ADMINISTRATORS' SCHOOL REPORT

To the Citizens of Mont Vernon:

Educational reform has taken place, as it never has in the past, during the 1960's. Change in education now seems to be a recognized need in all parts of our society. The 1960's have closed with forces and events that have led to the threshold of a new decade as being one of the most promising and active periods of educational reform in our history. Many more demands are being made by the rapidly changing and increasing complexity of our society. We are becoming more aware that our children will need more and better education to survive. Education that was sufficient for our needs is no longer sufficient for the world of the future. The things that children need to learn with the help of schools are multiplying at an overwhelming rate. There are practices and programs that are necessary if we are to deal effectively with the changing world.

Like society in general, education is currently experiencing a dynamic development of new technologies. We must examine them with care, and those proven to be successful in aiding the learning process should be put into service more rapidly than new technologies have been in the past.

Research has revealed more about individual differences, the merit of the individual and about providing for his needs. It has also come up with evidence of the great variety of ways in which people can and do learn.

This challenge we must meet. We must be ready to develop practices and programs capable of increasing the efficiency of learning. In Supervisory Union No. 40 we have begun to meet the challenge in the sixties as numerous innovations in methods of instruction and school organization have evolved, such as the use of new instructional materials, use of para-professionals, use of part-time professionals, the introduction of team teaching, team learning, cooperative

teaching, flexible group patterns, modified grading and many other innovations. These are signs of progress that are necessary to reach the goals that we have set forth.

We are striving to develop and continue to develop an ever-changing curriculum to search for better ways of instruction in order to fulfill our philosophy of education in the development of each child to his optimum. As each year passes, the needs of more children than ever before must be met. Our school population increases continually. At the beginning of the last decade 2,313 pupils were enrolled in our schools. As we reach the 1970's, our enrollment has soared to 4,073.

The 1969-70 school year saw a great number of changes at the Mont Vernon Village School. The sixth grade was kept in the school by putting a partition in one of the upstairs rooms. Although some of the classes were a little crowded, the situation is working out well.

During the February vacation, our new school will be ready for occupancy. It is planned that grades four, five and six will be housed in the new building after this vacation.

The science and social studies curriculum was greatly improved this year with the addition of new textbooks and equipment. In these areas the students are able to read in a variety of sources about one subject. They then bring the different ideas of each together. This approach also allows a student to appreciate and recognize different points of view. In science, students are able to do many of the experiments themselves which gives them a better understanding of the concepts and processes involved. In the future these programs will have to be expanded as they are constantly changing.

In the 1970-71 school year, it is hoped that the curriculum can be enriched by the addition of a French teacher and an art teacher on a part-time basis.

The key to a first rate program is dependent on the

quality of the staff who work in our schools. To our dedicated staff we extend our gratitude for the part that you fulfill in educating our children.

We commend you, the citizens of Mont Vernon, for your continued support of quality education for our youth.

IRA A. STICKNEY, Superintendent
MARION J. JACQUES, Teacher Consultant
GERALD A. BRITTON, Principal

FINAL REPORT

Mont Vernon School Expansion Advisory Committee

January 1969

1. Introduction

- a. The need for more classroom space in Mont Vernon is real and immediate. Presently, we need space for one class; by next fall, we will need an additional classroom, and by 1972 we will need at least two more, even if we fully utilize our present facilities.
- b. Previous proposals for satisfying the school need have been based on establishment of an entirely new school facility. We feel that this is undesirable, that the present village school facility is sound and useable, that it represents a considerable investment, and that proposal for expansion of our facilities should include plans for its continued use. Hence, we suggest that additional classroom space be provided in an annex concept to expand rather than replace our present facility.

- c. The additional classrooms can be provided in several ways:
- 1) Town Hall could be renovated and used to provide space for two small classrooms of about 20 capacity each. This might hold us through 1970, and would cost an estimated \$20,000 to \$30,000.
 - 2) Another possibility is to build an addition onto the present village school building. This has the advantage of structural consolidation, and minimum additional maintenance cost. However, the limit to such expansion would seem to be four classrooms, and major problems in the present water supply, sanitation and heating facilities would have to be faced. In addition, we would be crowding the site and further reducing the limited playground facilities on the property, no state financial aid would be forthcoming and the architectural quality of the building would be destroyed. This expansion would probably hold us through 1972 at an estimated cost of about \$65,000 to \$75,000, depending on costs of water, septic and heating system expansion.
 - 3) We could purchase modular classrooms from one of several sources for about \$16,000 per room, with site development, sewage system, and water system at **additional** cost. This would provide a minimum-cost facility on our Harwood Road site, which could be expanded at will to meet the increased needs.
 - 4) Finally, we could have designed and built for us a custom structure on our property. Since this would be tailored to our needs, it would probably be the most aesthetically pleasing and structurally suitable solution; it is also the most expensive. The costs could be minimized by inviting and utilizing contractor's suggestions for economical construction, by use of prefab or precut construction, and by designing and building the minimum facility required.

2. Findings

- a. The present grade school enrollment is 135, broken down as follows: 24 in each of the first four grades, 15 in the fifth and 24 in the sixth.
- b. The ultimate capacity of McCollom is about 120, assuming all the classroom space available is used for four classrooms.
- c. By projection of our school population growth for the past several years, it appears that our total enrollment in the first six grades will approach 200 in the 1973-74 school year.
- d. There is little or no hope of establishing arrangements with adjoining towns to provide facilities for our students on either a tuition or a cooperative basis.
- e. The furnace at McCollom is of cast iron, and is basically in good condition. The septic system has two septic tanks and a leach field adequate to its present needs. However, it should probably be pumped, since it seems to have had no maintenance in the past several years.
- f. The townspeople are aware of the need for increased school facilities, but feel that they can be provided with better styling and at lower cost than previously proposed.

3. Recommendations

- a. We recommend that a school annex be built on the recently acquired property on Harwood Road, to supplement the present Village School facility. It should be of traditional or colonial design.
- b. We recommend that the townspeople be given a choice of modular or custom design and of four or six rooms, thus:
 - 1) Propose a four-room school annex of modular construction, with no designated administrative area, at a total cost not to exceed \$100,000.
 - 2) Propose that the annex be of custom design and construction, with administrative areas, at an additional cost not to exceed \$40,000.

- 3) Propose that an additional two classrooms be built onto the annex of proposal one (1) at a cost not to exceed \$37,500 or to the annex of proposal two (2) at a cost not to exceed \$30,000.
- c. We recommend that McCollom be used for administrative office, conference room, material and equipment storage, future kindergarten, and up to two classrooms. We believe that the present heating and septic systems if maintained, are adequate to these purposes.
- d. We recommend that a minimum of contingency funds be appropriated.
- e. We recommend that the tax increase, which will be brought about by each proposal be clearly defined to the voters.

Total number of children examined	51
Tuberculosis Tests	25
Chest X-Ray	1

The following defects, treatments and corrections were reported:

	Defects	Treatment
Ears	1	1
Eyes	1	1
Teeth	11	11
Heart	1	1
Orthopedic	1	1
Nutrition	1	1

Diseases Reported

Chicken Pox	1
Mumps	15

Number of Home Visits	37
Number transported	4

MONT VERNON SCHOOL DISTRICT MEETING

March 10, 1969

The Annual Meeting of the Mont Vernon School District was called to order at 7:32 P.M. by the Clerk, Edna H. Miville, Acting Moderator. The first order of business was to elect a Moderator Pro tempore. Mrs. Eileen E. Naber nominated John J. Riesenbergh, seconded by Mrs. Elsie J. McNamara. Motion made, seconded and voted that nominations cease. Voted that the Clerk cast one ballot for John J. Riesenbergh, Moderator pro tem. Mr. Riesenbergh led the meeting in prayer and Roland E. Christie, Jr., led the salute to the flag. Mr. Riesenbergh read the Warrant of the School District dated 15 February 1969.

Article 1 — To see what sum of money the district will appropriate for constructing and originally equipping and furnishing an elementary school, and to determine whether such appropriation shall be raised by borrowing or otherwise; or to take any other action hereunder.

Mr. Vernon B. Wilkins moved that a bond be issued for \$100,000 for the construction, equipping and furnishing of a four-room school building of modular design on our Harwood Road property. Seconded by George D. Kittredge.

Mr. Thomas A. Wallace moved that we amend the motion to appropriate an additional \$40,000 for a four-room school so that it will be of custom design and construction. Seconded.

After lengthy discussion Mr. George D. Kittredge called for the question on the amendment. A vote was called by the Moderator, pro tem, and two-thirds present voted to continue the discussion. A five-minute recess was called to allow an opportunity to view drawings of the proposals of the Mont Vernon School Expansion Advisory Committee. The amendment to the motion was voted.

Mrs. Judith H. Corbett moved that an additional two rooms be added to the proposed annex as moved and amended, at an additional cost of \$30,000. The motion was seconded and defeated. The Moderator, pro tem, read the motion as amended and a paper-ballot vote was conducted using the checklist as prepared by

the Supervisors of the Checklist and as posted on 10 February 1969. One hundred forty-two (142) votes were cast — 107 yes, 35 no.

Article 2 — To see if the district will vote to raise and appropriate a sum of money to provide temporary accommodations for a maximum of two grades.

Mr. Walter D. Kilian moved that we raise the sum of \$5,000 to provide temporary accommodations for a maximum of two grades. Seconded and voted.

Article 3 — To choose Agents and committees in relation to any subject embraced in this warrant.

Mr. Robert A. Damoiseau moved that the Moderator, pro tem, appoint four citizens of the town to work in conjunction with the School Board as a School Building Committee. Seconded and voted.

Article 4 — To determine and appoint the salaries of the School Board and Truant Officer, and fix the annual compensation of any other officers or agent of the district.

Mr. Robert H. Naber moved that we pass over this Article and act on it with Article 7 as it is included in the budget. Seconded and voted.

Article 5 — To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

Mr. Walter D. Kilian moved that we accept all reports as printed in the Town Report. Seconded and voted. Members of the Mont Vernon School Expansion Advisory Committee were introduced by Mr. Kilian and appreciation extended to them for their work.

Article 6 — To see if the district will vote to raise and appropriate the sum of \$9,337.25 as a deficiency appropriation to cover the purchase of land as directed at the August 14, 1968 Special School District Meeting, the site survey and legal fees including a petition of Thayer vs. Mont Vernon School District.

Mr. George D. Kittredge moved that Article 6 be amended by deleting the sum of \$9,000.00 so that the Article will read: to

raise and appropriate the sum of \$337.25, as a deficiency appropriation, to cover expenses of the site survey and legal fees included in a petition of Thayer vs. Mont Vernon School District. Mr. Robert A. Damoiseau moved that we delete Article 6 in its entirety. Seconded and voted.

Article 7 — To see what sum of money the district will vote to raise and appropriate for the support of the schools, for the payment of salaries for school district officials and agents, and for payment of the statutory obligations of the district.

Mr. Robert H. Naber moved that, including Article 4, the District raise and appropriate the sum of \$160,506 for the support of the schools, for the payment of salaries for school district officials and agents, and for payment of the statutory obligations of the district. Seconded.

Mr. George D. Kittredge moved that since the No. 100 Series dealing the salaries of the School District Officers as listed is based on the fact that only one School District Meeting is generally held annually, I move to amend the budget article: The salaries of the Moderator, Clerk and Ballot Clerks, as listed in the 1969-70 Budget, shall be paid for each respective legally called School District Meeting during the School Year and the budgeted salaries shall not be construed to be payment in full for any and all such meetings held but for the Annual School District Meeting only. Seconded and defeated.

After a line-by-line reading of the budget, the motion as moved and seconded was voted.

Article 8 — To see if the district will vote to authorize the School Board to make application for and accept on behalf of the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming for the United States Government or from the State of New Hampshire or from any other source.

Mr. Walter D. Kilian moved that the district vote to authorize the School Board to make application for and accept on behalf of the district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the

United States Government or from the State of New Hampshire or from any other source. Seconded and voted.

Article 9 — To transact any other business that may legally come before said meeting.

Mr. Walter D. Kilian expressed appreciation to the Mont Vernon School Expansion Advisory Committee and to the residents of the town.

The meeting was adjourned at 10:33 P.M.

Respectfully submitted,

EDNA H. MIVILLE, Clerk

On 24 March 1969 the Moderator, pro tem, appointed Margaret B. Clark, Roger W. Hartleb, Charles M. Puckette, and Vernon B. Wilkins to the School Building Committee.

EDNA H. MIVILLE, Clerk
